The descriptions in the catalog are to be used as a guideline and do not guarantee physical condition, size, age, or provenance. Returns will not be accepted on any absentee or telephone bids, ALL SALES ARE FINAL.

Successful bidders will be notified by phone or email usually within a few days after the auction and their credit cards charged accordingly. Once item(s) are paid in full the item(s) can either be picked up at our offices in Hillsborough, NH or we can arrange to have them shipped. Unless specified, our shipper will choose the best & safest method, based on the guidelines put forth by the individual shipping companies. The Buyer is responsible for shipping charges; **including labor, materials, shipping, and insurance.** Shipping time depends on the volume of absentee bids, but is usually done within one week of the auction. If an item is damaged during shipment for any reason, it is the responsibility of the buyer to file a claim. Withington Auction Inc, will be available to help you during this process should it occur, but we are not responsible to refund any items with shipping damage. This is why we require insurance on all packages shipped. A shipping fee will be charged to your credit card account on a separate bill.

Absentee bids are not started with the high absentee bid unless there are two absentee bidders on the same item. Absentee bids are bid in against the floor bidding or started at 50% of the absentee bid to be determined by the auctioneer on a per item bases as they are calling the auction. (If you place a \$500 absentee bid it will either run up by the floor bidding or start at \$250 to be determined by the auctioneer at the time the item is put up)

Bidding on any item indicates your acceptance of these terms and all other terms announced at the time of sale, whether bidding in person or via absentee bid. A buyer's premium of 18% will be added to all absentee bids.
